

## QUICK REFERENCE CARD

### INSTALLATION

To install Shadow of Destiny™: Insert the Shadow of Destiny CD into the CD-ROM drive. If you have Autorun enabled, the installation screen appears. Follow the on-screen instructions to complete installation of Shadow of Destiny.

If you have disabled Autorun within Windows: Select "Run..." from the Start menu. Left-click on the BROWSE button. Left-click on the arrow next to the "look in:" window and point it to your CD-ROM. Double-click on the file called "AUTORUN.exe". Left-click OK to begin installation. Follow the on-screen instructions to complete installation.

### To run the game:

Put the game CD in your CD-ROM drive and close the CD tray. When the start-up screen appears select "PLAY." If Autorun is disabled on your computer, select "Run..." from the Start menu. Left-click on the BROWSE button. Left-click on the arrow next to the "look in:" window and point it to your CD-ROM. Double-click on the file called "AUTORUN.exe". When the start-up screen appears select "PLAY."

Note: You must have the CD in the CD-ROM drive to run the game.

### GAME MANUAL

The game manual for Shadow of Destiny can be found on the game CD as a file called "SOD\_Manual.pdf". To open this file you will need Adobe® Acrobat® reader, which can be downloaded for free from <http://www.adobe.com>.

### Game Controllers (Joystick)

Shadow of Destiny supports joypads providing they have been correctly set up within the Windows-Gaming Options control panel and a game profile has been created within your controller software. Once correctly set-up, launch Shadow of Destiny and select 'Joypad' from the Options/Controller menu.

### SAVING/LOADING/INTERRUPTING

The game can be saved at the end of each chapter. When the game is resumed, play will continue at the start of the next chapter.

You can also save mid-way through chapters by activating the Digipad and selecting End Game. Please note that you are restricted from saving multiple mid-game saves.

### SYSTEM REQUIREMENTS

Shadow of Destiny has been tested on a wide range of hardware and operating systems. To ensure optimal levels of performance, please make sure you are using the latest video card drivers and your PC meets or exceeds the following specifications:

Intel Pentium III or AMD Processor 450Mhz or higher  
64Mb RAM (128Mb Recommended)  
16MB AGP DirectX 8 compatible video card  
DirectX 8 compatible sound card  
Windows 95 OSR 2, Windows 98 or Windows Millennium  
DirectX 8 (supplied on the CDROM)  
700Mb Free hard drive space

(Shadow of Destiny has been tested on Windows XP. Although it functioned correctly, it is not an officially supported operating system). Shadow of Destiny was not developed for laptops.
